Both parties agree to the following terms:

You (the consignee) bring in your gear and together we agree on a selling price. When your gear sells, you receive a percentage of the selling price (in check or store credit) according to the table below.

Consignment Fee

Selling Price	Check	Store Credit
Up to \$250.00	40%	60%
\$250.01 - \$499.99	50%	60%
\$500.00 or more	60%	70%

Store Credit - more percentage for your consigned items!

- You receive a higher percentage on consigned items when you choose our "store credit" model. For example, receiving store credit on an item selling for \$75 would earn you \$45 store credit (as opposed to \$30 cash).
- You use your store credit to purchase other Four Bridges Outfitters items.
